WELCOME TO *Baby Bottle Boomerang*

Dear Friends of Align Life Ministries,

We're so glad you're interested in kicking off a Baby Bottle Boomerang (BBB) campaign. Through this experience, you and others will champion the gospel of Jesus and the sacredness of human life. God helps women, men, and babies through your support.

BBB is a simple program, and a great way for kids and people of all ages to get involved. Enclosed are materials to help you have a successful campaign, whether you conduct it in person, virtually, or via a hybrid of the two. Feel free to use your creative side to enhance participation.

If you have any questions, or need more bottles or supplies, please contact me. I'm here to help.

Championing life,

Heather Muncy, Events Director

WAYS TO PARTICIPATE

HANDS-ON

Contact Align Life Ministries and let us know when you would like to initiate BBB. A BBB campaign can be held any time of year. Churches often begin in January with Sanctity of Human Life Sunday; other groups choose Mother's and Father's Day, a back-to-school campaign, or a Thanksgiving campaign.

How it Works:

1. We provide the bottles to you.
2. You distribute them to the people in your church or group.
3. Several weeks later, they return the bottles on an announced date. (You determine the date the bottles are to be returned.)
4. You make arrangements to return the bottles to Align Life Ministries (that's the boomerang!) where we process them.

VIRTUAL

Fill a baby bottle online!

1. [Visit our special Virtual Baby Bottle Boomerang Giving Page.](#)
2. Choose an amount / how many bottles to fill (\$25 for one bottle, \$50 for two bottles, etc.)
3. Complete the form and submit.

NOTE: If you are doing the virtual BBB as part of a church or group, please include your church or group's complete name on the form so your total can be included in your group's results.

HYBRID APPROACH

Invite everyone in your group to join your "Fill a Bottle for Life" BBB campaign—those who attend in-person as well as your livestream participants. Offer both the hands-on and virtual BBB options at the same time for a meaningful, life-affirming project that goes beyond physical locations and appeals to people of all ages.

Baby Bottle Boomerang

FREQUENTLY ASKED QUESTIONS

Q: When should I kickoff a Baby Bottle Boomerang Campaign?

A: Anytime! Popular times include:

- Sanctity of Human Life Sunday
- Mother's Day
- Father's Day
- Back-to-School time
- Thanksgiving

Q: Is my donation tax deductible?

A: All check and online donations will be receipted. Cash donations (bills only) over \$20 will be receipted if the baby bottle's paper insert is completed and returned with the bottle. Sorry, we are not able to offer receipts for coin donations.

Q: Will I be informed how much our church/group raised?

A: Yes. Please allow 6-8 weeks for processing. When processing is completed we will notify you via email or by postcard mailed to the church if we don't have an email address for you. If you are doing the virtual option, please be sure to provide the complete name of your church or group on the online form so your gift can be included with your group's total.

HANDS-ON OPTION:

Q: How many bottles should I order?

A: We recommend 75% of the number of families in your church/group

Q: Where do I get the bottles?

A: We provide the bottles and deliver them to your nearest Align Life Ministries location:

- Administrative Office in Lebanon
- Align Pregnancy Services in Columbia, Ephrata, Lancaster, or Lebanon

Q: What if I need more bottles or I ordered too many?

A: If you need more bottles, contact the Events Director. If you ordered too many bottles, it's fine to send the extra ones back to us with the rest of your returns after your campaign ends.

Q: What if all the bottles aren't returned by the end of the campaign?

A. That is common. Return what you have so far. You can give periodic reminders a few times after the campaign ends, and then let it go. You may get a few stragglers back here and there. Some people have found that a "sign out sheet" for the bottles is helpful. Feel free to use the one included in this packet, or listed as a downloadable on our website.

Q: Where and how do I return the bottles? (They're heavy!)

A. You can return the bottles to the same location where you picked them up. The bottles that are filled can be heavy. We recommend you return filled bottles in a box of 25 max. Empty bottles can be returned in a full box.

Align Life Ministries aligns with God to champion the gospel of Jesus Christ and the sacredness of human life through pregnancy services, strategic partnerships, and equipping resources. Proceeds from Baby Bottle Boomerang impacts people like Janelle and her boyfriend Adam. Janelle was leaning toward abortion and agreed to our ultrasound to determine her due date. During the scan, they both saw their baby for the first time. The baby was tiny; like a "grain of rice" tiny. And right in the middle was a pulsing heart. Both Janelle and Adam were undone by the sight of that. We didn't have the sound on. They just saw it. And they cried. It didn't even look like a baby at that point, but the knowledge of what it was and what that represents brought them both to tears and softened their hearts toward life.

Baby Bottle Boomerang funds help clients—like Evelyn—find healing from past abortion decisions. Evelyn came to us completely devastated. She hadn't be able to express to others what she was feeling, so she ended up isolating herself. She went through our post-abortion Bible study and experienced deep healing and forgiveness from the Lord. "Since my healing, I have more strength and purpose. I am able once again to extend myself to others and minister to them," Evelyn says. She adds, "As I'm walking on this journey, Jesus has been lifting my load more and more."

Proceeds from Baby Bottle Boomerang can help young moms like Kerrie, who notes, "From my first appointment, it was wonderful. I found myself in a very family-like atmosphere—like when your worry is their worry. I loved my advocate and I loved the "101" parenting lessons. Those lessons were especially important to me and my boyfriend because we want our kids to grow up in a good way. Align Pregnancy Services was there for us, and they helped us learn to trust in God."
