Dear <<Salutation>>,

Scripture reveals God's passion for people to be born physically and reborn spiritually into a relationship with Him. He desires that all generations of people come to know Him. As we align with God, His passions become our passions.

It is our privilege to be your partner in the gospel—helping generations of moms, dads, babies, and their families experience abundant life in Jesus Christ.

Would you consider partnering with us in 2025 to point generations of people to Jesus for life? Here are ways we could work together:

Sanctity of Human Life Sunday 2025—"To All Generations"

Choose a Sunday in January to honor God's establishment of the sacredness of human life. Equip your congregation to be life-minded and help them discover ways to serve their pregnant, parenting, and post-abortive neighbors. We have resources to help, including speakers, client story videos, social media graphics, and bulletin inserts. Visit alignlifeministries.org/get-involved/sanctity-of-human-life-sunday/.

Baby Bottle Boomerang

Hold a Baby Bottle Boomerang fundraiser and help us provide free, life-giving services to young moms, dads, and babies in our communities. There are in-person and "fill-a-bottle-online" options available for this fun, family-friendly activity. Order bottles, download promotional items and more at alignlifeministries.org/get-involved/baby-bottle-boomerang/.

Move for Life

Encourage your congregation to join more than a thousand other believers in our vibrant and growing spring fundraising event! The 2025 Move for Life will be held Saturday, May 10 at The Junction Center. We need fundraising participants for the Walk and 5K, as well as event volunteers and Corporate Sponsors. Visit: AlignLifeMinistries.org/Move-for-Life.

Feel free to respond to any of the above online, or complete and return the enclosed form to Lois Rhoads at Align Life Ministries, PO Box 707, Lebanon, PA 17042; lrhoads@alignlifeministries.org by **Friday December 13**.

Interested in more partnership ideas? You'll find additional possibilities on the back of this page. Thanks in advance for your support.
